YOUNGSTOWN, Ohio, Jan. 8 .- One life is known to have been lost, 100 are bearing bullet, knife or club wounds, and ten blocks of East Youngstown, including the entire business section, are smouldering ruins as the result of wild scenes of rioting and looting which marked last night. Thousands are homeless and the property loss is estimated at more than \$1,000,000.

With three regiments of the Ohio National Guard under command of Brigadier General John H. Sparks patroling the village or camped in the mills near by, strikers from which were responsible for the disaster, the civic and military autherities here Saturday merning expressed the belief that for the present, at least, an end had been put to the wild scenes which marked last night.
